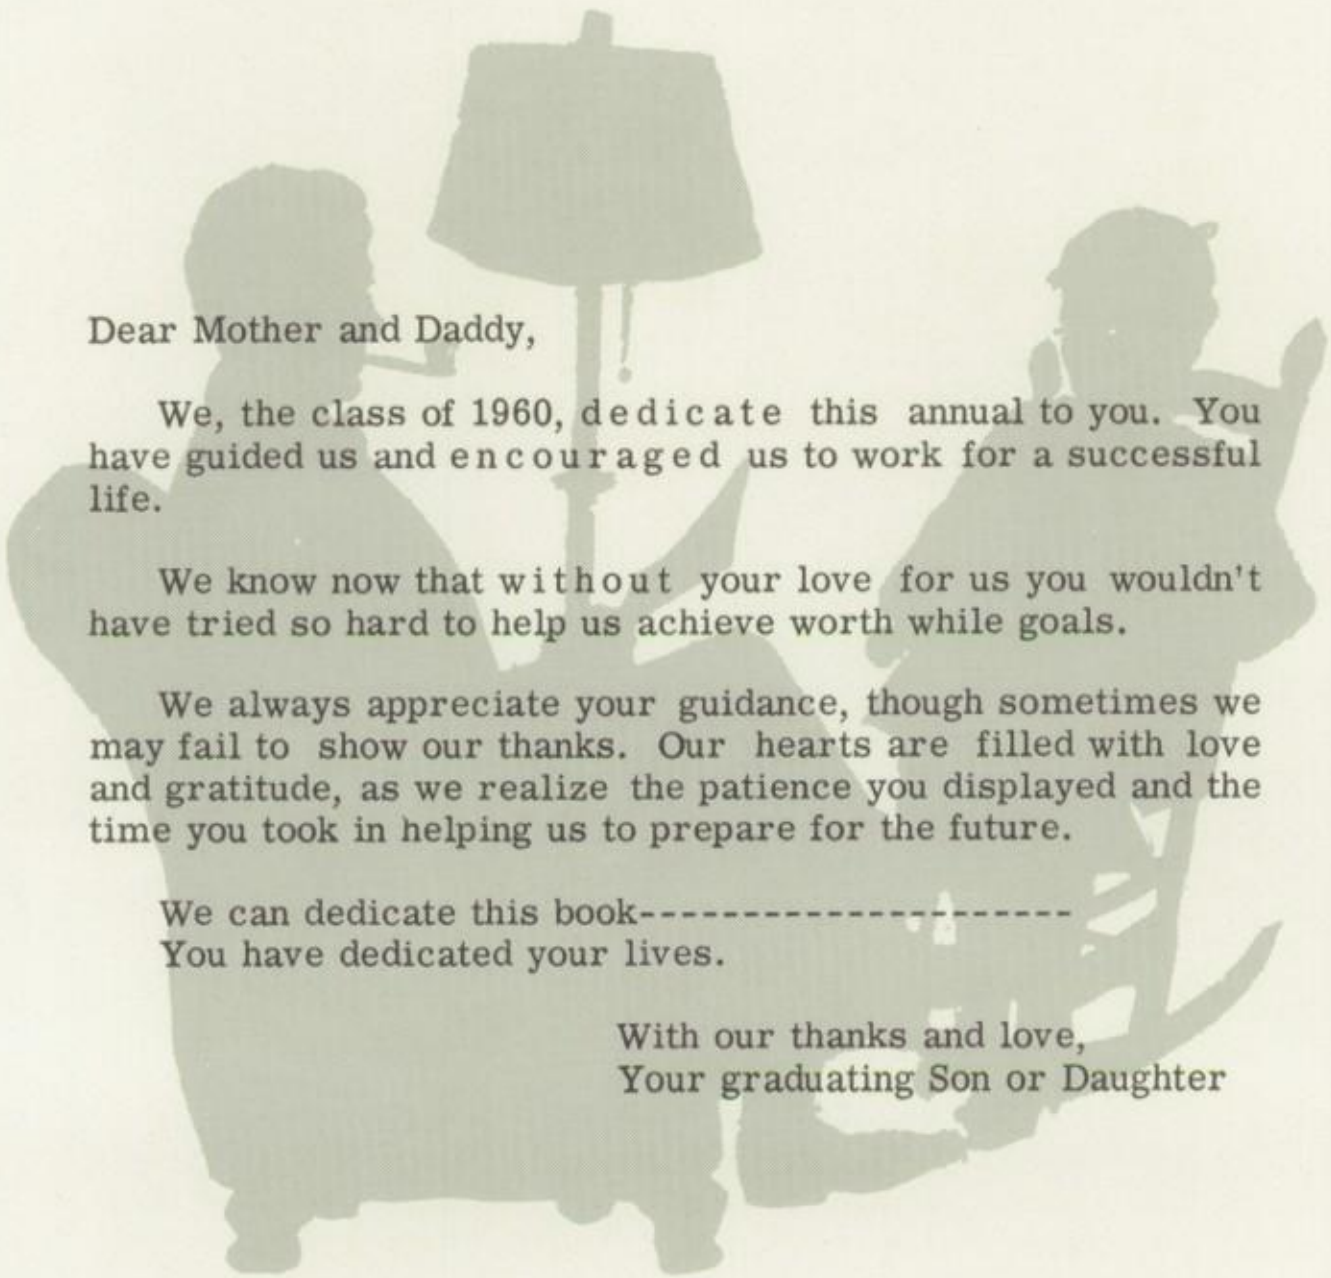
Foreword

This is a book for you, the members of Gatesville High School. We hope the Goober of '60 will be used to bring back the wonderful memories of your school days of 1959-60. We have tried to give you a glimpse of some of the things we shared; the fun, the studies, the social activities, and various other projects.

Editing the Goober in 1959-60 has been both a pleasure and a headache for the editors. If it keeps alive the story of our life at G. H. S. for one year, we, the members of the staff will feel well paid for our trouble.

Dedication



Dear Mother and Daddy,

We, the class of 1960, dedicate this annual to you. You have guided us and encouraged us to work for a successful life.

We know now that without your love for us you wouldn't have tried so hard to help us achieve worth while goals.

We always appreciate your guidance, though sometimes we may fail to show our thanks. Our hearts are filled with love and gratitude, as we realize the patience you displayed and the time you took in helping us to prepare for the future.

We can dedicate this book----------
You have dedicated your lives.

With our thanks and love,
Your graduating Son or Daughter

The Principal's Message

Something larger than yourself has brought you here. You may recognize it or you may not. Personally, I trust that your presence here at Gatesville High School is the result of a living spirit within, a conscious response on your part to the call to the higher and better possibilities life affords, which, if you are to possess, must be the culmination of careful and thorough preparation.

CLASS POEM OF 1960

Dear G. H. S. our school so true,
As we the class of '60 depart from you,
When we at last pass through your door,
No-one can tell what lies before.

As the weeks turn to months, and months to years,
And our life is filled with joys and tears,
The rememberance of the four years spent with you,
Will live on and on our whole life through.

To those of you who lent a helping hand,
Or gave advice to aid us through life's plan,
Who guided us in our work and in our play,
A simple "Thank You", we would like to say.

Class History

Four short years ago, a group of thirty-one freshmen entered the turning point of their lives, high school. After struggling eight long years, we had finally reached what we thought was the end of all our cares.

Our freshman year was one of the eventful years of high school. These thirty-one freshmen had much to learn. One of our cherished memories is the excitement of Mr. Askew's famous three questions in General Science Class. Working hard during our ninth grade was only a stepping stone to the tenth.

Our sophomore year was much better than our freshman year. By that time, we were adjusted to the high school curriculum. That year, the Student Council sponsored a Christmas dance, which all of the high school students enjoyed. We also enjoyed other parties and activities.

Our Junior year with our junior-senior banquet, made possible by our principal, and faithful teacher, Mrs. Phoebe Owens, will always be a cherished memory. We worked very hard to make this occassion a success. We found that our class had to work together to obtain the goal we wished to reach.

We were glad to have Mrs. Evelyn Willey join our faculty at GHS.

Now we are a group of twenty-seven seniors, four less than in the fall of 1956, when we entered high school.

We know not what the future may bring; but whatever it brings, there will be many times when sound thinking is needed to make intelligent decisions. These decisions will largely depend on the maturity of the youth of today.

This year we were glad to have Mrs. Dorthory H. Wagoner join the high school faculty.

Thanks to all of you, our teachers, parents and friends, from all of us for making these the four most cherished years of our lives.

Last Will And Testament

We, the class of '60, being of sound mind and even disposition do, hereby, make our last will and testament. Listen, to whom it may concern, I do, hereby, read this highly valued document.

I, Pat Brown, will my straight hair to Betty Smith, as I'm sure she is tired of nightly pin-ups.

I, Hulda Fleming, will my "quietness" to Etta Brown Spivey.

I, Jeff Wiggins, will my mechanical ability to Douglas Freeman.

I, Cheryl Joyner, will my men with "Fords" to Joan Sawyer.

We, Nancy Cowper and Shirley Eure, will our charm with the boys to Lois Lowe.

I, Rita Rae Ward, will my promptness at school to Billie Cox.

I, Joe Buck, will to Kenneth Jones a new set of tires, in hopes his car squeals as loudly as mine.

I, George Baker, will my ability to sneak up in the lunch line to Jimmy K. Wyatt, Tom Smith, and Elton Taylor.

We, Nancy Mitchell and Rachel Johnson, will our dancing ability to Barbara Harrell.

I, Katty Smith, will nickname "Kitty" to anyone who looks like a cat.

I, Earl Taylor, will my curly hair to Tommy Hill and Charlie Casper.

I, David Williford, will my ability to get by with anything to Carroll Nixon, Johnny Lane, and Eddie Harrell.

I, Paulette Felton Wester, will my ability to be a studious senior to Emily Harrell.

I, Junie Umphlette, will my wonderful personality to Garland Felton, Perry Eure and Dale Morris.

I, Bobbie Ann Eure, will my school bus to anyone lucky enough to get it.

I, Bobby Ray Chappell, will my ability to "get along with the girls" to Allen Felton and Sherwood Eason.

We, Marie Lilley and Peggy Horton, will our ability to translate French to Marion Parker. Boy! will you need it next year.

I, William Lilley, will my 55' Ford that will go to Sunbury without a driver to anyone who can beat me there.

I, Carolyn Felton, will my charm and know how-to-go-steady to Becky Taylor

We, Lorene Phelps and Rachel Parker, will our ability to hook a boy with a car to Florence Perkins.

I, Roger Lane, will my weakness for girls to Douglas Parker, Clinton Evans, and Richard Freeman.

I, L. T. Harrell, will my ability to play ball to Welsford Artz and Bobby Pierce.

I, Paulette Harrell Eure, will my inability to write the Last Will and Testament to any Junior drafted to the task, next year.

Class Prophecy

I, Rita Rae Ward, after successfully completing a day of work as secretary to the president of Boeing Aircraft Company, wander into the living room of my pent house in New York, and sit down to rest my weary bones. As I settle down in my chair, I find myself dreaming of past days. Yes, the good old days---school days! I think of my classmates in school, and I can see that they have all come a long way since we graduated in 1960. The year is now 1970---ten years later.

I can see Marie Lilley as a typical old maid school teacher. At the age of 28, she has given up all hope of becoming anything else.

The former Hulda Mae Fleming is now operating the Fleming Home for the aged. Hulda holds the position as chief cook and bottle washer.

Bobbie Ann Eure has joined the staff of the highway patrol, as a police woman. I wonder if she ever ever chases anything other than men?

Bobby Ray Chappell is racing in the famous Darlington 500 with his fast "Chevy".

I see that Rachel Johnson is dancing in the famous Silver Slipper, and is still looking for a mate.

Pat Brown is an English Professor at the University of North Carolina. She is leading two lives, that of a teacher and that of a professional singer.

Katty Smith is now busy keeping her husband and family happy. She does find time to do other things though. For instance, she has just won the Pillsbury baking contest with her famous cracker pie.

Paulette H. Eure is staying pretty busy keeping up with little "George Jr." who is eight years old now.

Cheryl Joyner has really made a name for herself. She owns her own private hospital and has the world's greatest staff of doctors working under her supervision.

Carolyn Felton has become a secretary for a public accountant. She seems real enthusiastic about her job.

George Baker has just gotten his degree in medicine from the University of North Carolina. While majoring in medicine, he minored in girls.

Paulette F. Wester has joined the Navy, and is specializing in following her husband around the world.

Jeff Wiggins has become the world's most famous barber and tonsorial stylists for men.

Joe Buck has become president of the J. E. Buck Tobacco Company. I can see that his little tobacco farm in Drum Hill has grown a great deal in the past ten years.

Nancy Cowper has given B. B. a competive race for the top female motion picture star in the country.

David Williford is the newest member of the Harlem Globtrotters. He enjoys touring the world while showing off his skills of basketball.

Peggy Horton has become editor of the New York Times. She always did enjoy working on the Chattery Dispatch, but I never thought she would go this far.

Lorene Phelps is a well known switch board operator for the new T. V. station at White Oak.

Roger Lane has just won the title of Mr. America.

Junie Umphlette is now a captain in the army and is stationed in Hawaii.

William Lee Lilley is the new president of the Greyhound Bus Company. "Willie" always did have a love for buses, even in high school when he drove an old school bus.

Earl Taylor has now retired from farming and is taking it easy at his home. Earl's ambition has been accomplished--at last. He owns and manages the biggest farm in Gates County.

Nancy Mitchell is running the Mitchell's Beauty Salon in Gates. Her specialty is dying everyone's hair the shade of hers.

Rachel Parker is still looking for her "one and only".

Shirley Eure has become one of the outstanding models of today. She is now working in New York.

L. T. Harrell, our faithful class president, after much lonely and hard struggling has finally become President of the United States.

Mrs. Cross has retired from teaching at Gatesville High School and is staying at home.

Ten long years have passed, and I can see where we are now. Only time will tell where we will be when the next ten have drifted by---1980.
